*Methods of revolution and forms of power in Egypt 2012*

I will present the activities of Muslim Brotherhood during the revolution of January 25th 2011 in Egypt, and the political demands in the revolution, how the activists led the revolution at the beginning then it was led by the Muslim brotherhood when they came to power in 2012, and how their revolutionary and rebellion spirit disappeared and they started fighting and opposing the people who rebelled against their policy.
